

5th Annual Woolly Worm Festival

May 2010

Dear Sponsors,

It's amazing and awesome that we are gearing up for the 5th Annual Camargo Woolly Worm Festival. On October 2, 2010, Camargo will host the 5th Annual "Woolly Worm Festival" at the Camargo Park & Community Building! This is a one-day family friendly and community oriented festival that begins around 9:00 am.

Many events will be showcased throughout the day. Inflatable equipment, a woolly worm race, food vendors, local talent, musical groups and performances, a petting zoo, and a farmers' market are some of the attractions being planned. The festival is in its early stages of planning, so events and activities will be added as planning is finalized.

Despite the inclement weather last year's festival was enjoyed by a large crowd. This year we are anticipating an even larger crowd. We plan on doing this by advertisements in the local newspapers, TV Stations, Radio Announcements, and brochure mailings. As always our event is built as a family friendly and community oriented festival.

To make this event successful and ongoing, we need your help! Your contributions help defray the costs of the Petting Zoo, Carriage Rides, Inflatables, etc. We sincerely hope you will consider sponsoring this year's festival. If you have further questions or would like to become a part of the planning committee, feel free to contact any of the Woolly Worm Festival Planning Committee Members listed below.

Woolly Worm Central Committee
P.O. Box 50
Camargo, IL 61919

Thank you in advance for your support!
